## Professional PC Labelling Machine

Desktop labelling machine with PC connection and label design software.

- Large, high resolution graphic display with backlight
- Wide PC style keyboard
- Large print height
- Built-in editable label designs for common labelling applications
- Prints 3.5, 6, 9, 12, 18mm labels

“With a large, high resolution backlit screen and built-in label templates I can quickly produce durable, easy-to-read labels using the wide easy-to-type keyboard, or design creative labels on my PC or Mac.”

*P-touch*  
D450VP

## The fully featured labeller with PC connection

The P-touch D450VP gives you the ability to create durable fade-proof labels using both the easy-to-use integrated labelling functions, and also from your PC or Mac.

Using the built-in label design functions, the large easy-to-read backlit display and wide PC-style keyboard make it easy to quickly produce your labels in various colour and size combinations.

Alternatively, connect to your PC or Mac and be creative by using various fonts, text styles, images and frames on your label design. You can even link to text contained in a Microsoft Excel spreadsheet to quickly print many labels at once, thanks to its high-speed print capabilities.

This high specification labeller is the ideal partner in your office to help you and your colleagues stay organised, though the clear identification of important items using durable P-touch labels.

Easy-to-type PC-style keyboard

Prints labels from your PC or Mac

Built-in barcode printing

Uses 6 x AA batteries\*  
or included AC adapter

\* LR6/HR6. Batteries not supplied.

## P-touch laminated labels – designed to last

Brother P-touch laminated TZe tapes consist of six layers of materials, resulting in a thin yet extremely strong label. The thermal transfer ink is sandwiched between two protective layers of PET(polyester film), which protects the text against the effects of liquids, abrasion, temperature, chemicals and sunlight. As the labels have been tested to the extreme, you can be confident of a professional quality label that has been designed to last.

Laminated
